FAST FIT TEMPORARY HOARDING SYSTEMS

**Bluewater
Wintergarden
PROJECT FILE
Jan to Oct 2012**

Location: Bluewater Centre, Kent **Client:** Lend Lease Retail **Main Contractor:** Bovis Lend Lease
Project: Food court major re-development **K-K Systems:** *Ultraspan, Perpetua, Soundmaster*

Over 800 linear metres of hoarding was used to create a work area for a the new Wintergarden food village

Double-height hoardings with curved finishes are seen from both the worksite and customer sides above

Wayfinding graphics are attached (above left) and a restaurant is re-configured next to the hoarding (right)

TEMPORARY HOARDINGS SUPERB RETAIL GRAPHICS FLEXIBLE, MODULAR, RE-USABLE SYSTEMS

FAST FIT TEMPORARY HOARDING SYSTEMS

**Bluewater
Wintergarden
PROJECT FILE
2010 to 2012**

Location: Bluewater Centre, Kent **Client:** Lend Lease Retail **Main Contractor:** Bovis Lend Lease
Project: Food court major re-development **K-K Systems:** *Ultraspan, Perpetua, Soundmaster*

Hoarding with graphics were installed near to one of the main entrances of the shopping centre

Different panels were used to hoard the ground floor (Soundmaster) and the first floor (Perpetua)

Business as usual as a secure worksite is created enabling major refurbishments to take place within
