FAST FIT TEMPORARY HOARDING SYSTEMS

**PROJECT
FILE**

January 2015

Location: White City, London

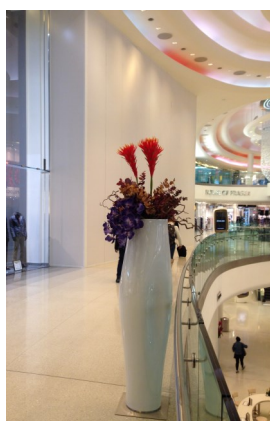

Client: Westfield

Project: Burberry store

Sector: Retail

System: K-K Soundmaster

Installation time: 5 nights

Our Soundmaster hoarding was used to create a 9 metre high hoarding on the top floor of the Burberry store.

In just 5 nights we installed hoardings on the upper and lower floors and added high resolution graphics.

Built-in double-doors did not detract from the overall effect of the 110 metre run around the store's perimeter.

NO PAINT. NO JAGGED EDGES. NO DAMAGE. NO LANDFILL. NO DELAY.
