FAST FIT TEMPORARY HOARDING SYSTEMS

PROJECT FILE

June 2010

Location: London **Client:** Guy's Hospital **Project:** Third Phase Perimeter & Internal hoardings
Contractor: direct appointment **System:** Ultraspan Extra / Soundmaster **Duration:** 24 months

External hoardings at Guy's Hospital make full use of bespoke vinyl graphics, tailored to each location.

Way finding signs are used outside the main entrance and inside the hospital's reception area.

Bespoke graphics on the 4 metre high Ultraspan Extra hoardings around the St Thomas Street site entrance.

FAST FIT TEMPORARY HOARDING SYSTEMS

PROJECT FILE

June 2010

Location: London **Client:** Guy's Hospital **Project:** Third Phase Perimeter & Internal hoardings
Contractor: direct appointment **System:** *Ultraspan Extra / Soundmaster* **Duration:** 24 months

Further photos showing how our hoardings create a works compound outside the main entrance.

More examples of the use of graphics at Guy's (left and centre) and also St Thomas' Hospital (right).

Internal hoardings at Guy's use bespoke graphics in public areas and plain panels inside the hospital.
